Brothers & Sisters of Kirchhoff Automotive,

First and foremost, on behalf of the Bargaining Committee and Local Executive Board, I would like to wish the membership a Happy Easter weekend. I hope that everyone has a holiday weekend full of rest, relaxation, and family.

Your Bargaining Committee is currently at the table with the Kirchhoff negotiating on your behalf. I can share that it appears we are close to a Tentative Agreement. We are ironing out a few last Articles and expect to make the April 5th deadline. Again, though things seem to be trending in the right direction, anything can happen.

A list of TENTATIVE strike teams has been posted within the plant. Again, please visit www.uaw3000.org for the most up to date information. We anticipate the Forum tab on the website being updated with information by the close of business today.

The rental for the Tecumseh Center for the Arts has fallen through. We anticipate using the VFW located at 427 N. Evans St. Tecumseh, MI 49286 on the same dates. We will have the venue between the hours of 8 am and 8 pm. Meeting times will fall in between those time constraints. Due to Covid-19 restrictions, the VFW can only allow 75 people in the venue at a time. We are currently working on a system that will accommodate both our members and the venue.

We have heard that there have been questions regarding the Informational Meetings scheduled for Tuesday, April 6th and Wednesday, April 7th. These informational meetings are contingent on a tentative agreement. The informational meetings are in place so that the bargaining committee can go through the tentative agreement with the membership. Times for the meetings will also be posted on Forum tab on the website once we know that there is a tentative agreement.

As communicated before, things are happening in real time and changing constantly. Please visit www.uaw3000.org for the most up to date information.

In Solidarity,

Steve Gonzales
